PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-247. A resolution adopted by the Interstate Oil and Gas Compact Commission at their annual meeting relative to the opinions of the oil and gas producing states on certain matters; to the Committee on Energy and Natural Resources.

POM-248. A resolution adopted by the Atlanta World War II Round Table urging Congress to add words to the inscription on the World War II Memorial; to the Committee on Energy and Natural Resources.

POM-249. A resolution adopted by the House of Representatives of the State of Michigan urging Congress to reauthorize Amtrak funding and support states in their efforts to expand passenger rail service; to the Committee on Commerce, Science, and Transportation.

HOUSE RESOLUTION NO. 107

Whereas, passenger rail service has historically focused on long distance routes. States may provide shorter, regional service if the state pays most of the cost. Fourteen states, including Michigan, Illinois, and Wisconsin, provide funding support to Amtrak to support in-state and regional passenger rail systems; and

Whereas, ridership on these shorter, regional routes has increased dramatically in the past two years. Ticket sales on Midwest intercity rail lines have reached record numbers. In Michigan, ridership has risen by 31 percent on the Blue Water passenger train and 20 percent on the Wolverine passenger train over the past two years. The state hopes to add passenger rail service between Detroit and Ann Arbor. Expanded passenger rail service is being promoted as a solution to rising oil prices, pollution, and increased highway congestion; and

Whereas, states would like federal assistance in funding the shorter passenger rail services. Federal matching dollars are provided for other transportation modes, and states would like to see a similar program for in-state and regional passenger rail projects. Senate Bill 294, currently before the United States Senate, would provide \$19.2 billion in reauthorization funds to Amtrak and provide grants to state projects: Now, therefore, be it

Resolved by the House of Representatives, That we memorialize Congress to reauthorize Amtrak funding and support states in their efforts to expand passenger rail service; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-250. A resolution adopted by the Senate of the State of New York urging Congress to eliminate the expiration period of the Federal Do Not Call Registry; to the Committee on Commerce, Science, and Transportation.

SENATE NO. 3582

Whereas, the Do Not Call Registry was established in the State of New York in 2000 to protect citizens from unwanted sales calls; it was made more effective in 2003, when it merged with the National Do Not Call Registry; and

Whereas, the National Do Not Call Registry provides citizens across the state and country with the privacy they deserve and adequate penalties for businesses which violate that privacy by persisting with unwanted phone calls; and

Whereas, the merging of the two Do Not Call Registries has effectively protected New York State residents from bothersome and unwanted phone solicitations for the last five years; and

Whereas, due to the five year expiration of the National Do Not Call Registry, many of the first enrollees will soon again be vulnerable to telephone solicitations unless they re-enroll: Now, therefore, be it

Resolved, That this Legislative Body pause in its deliberations to urge the New York
